# VeriProf

Backend and API integration development Scope
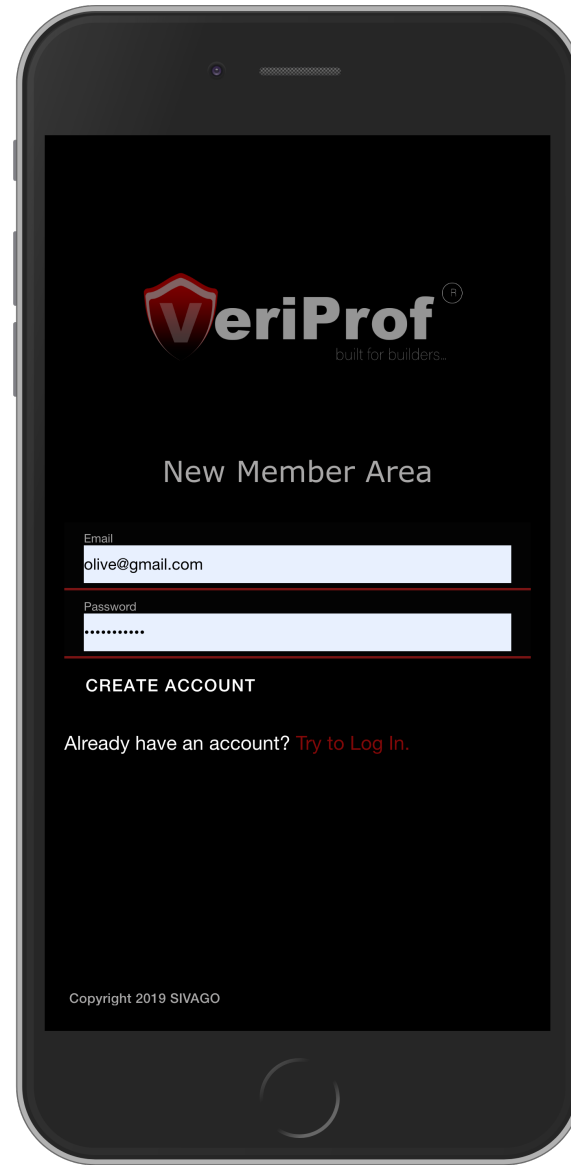

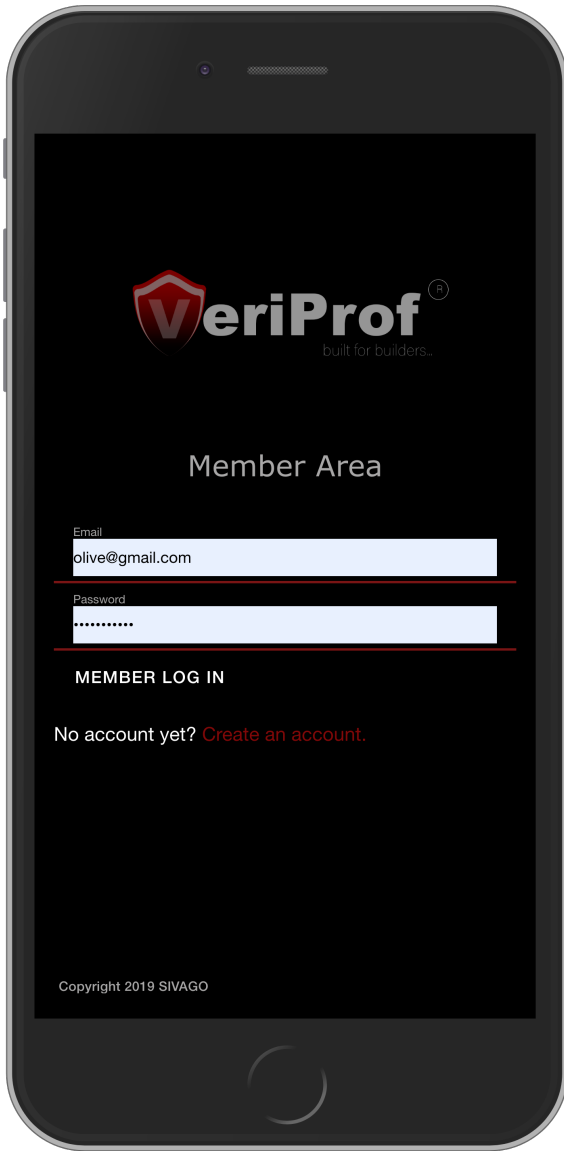

App Flow

User Preference

- This page shows the user preference for this app. It allows users to select how they want to use the app.

Inside phone screen:

VeriProf®

Welcome

olive@gmail.com

How would you love to use VeriProf?

🔧 AS AN ACCESSOR

👣 AS A PROFESSIONAL

❄ AS A PUBLIC USER

Login/SignUp Area

- Once a user selects his/her preference, then the user is allowed to signup and log in as a first time user. After account is successfully created, users no longer will be required to choose a preference at the beginning of the app pane

Assessors Dashboard

- If users selected preference is an assessor. Then the user is redirected to the Assessors Dashboard where he can then manage the tasks as an assessors

- Please note, every assessor's account registered on our platform would have to be verified by the VeriProf Team and a unique ID and area code will be generated for the assessor once validated by our admin team.

Verified Business List Pane
